AGREEMENT

THIS AGREEMENT is made and entered into this 1st day of July 2021, between the San Bernardino County Superintendent of Schools (hereinafter referred to as “Superintendent”) and Teamsters 1932 (hereinafter referred to as “Union”). The parties to this agreement affirm their commitment to the goals of effective public service, employee morale, amicable employer-employee relations, and an attitude by all regarding the rights and responsibilities of parties herein. The parties acknowledge that increased productivity can only be achieved as a by-product to valuing people and should not be dependent upon labor contract language.

Article 1: RECOGNITION

1.1 The Superintendent confirms its recognition of the Union as the exclusive representative for that unit of employees recognized by the Superintendent.

Article 2: SUPERINTENDENT RIGHTS

2.1 It is understood and agreed that the Superintendent retains all of its powers and authority to direct, manage and control to the full extent of the law including, but not limited to, the exclusive right to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of services to be provided, and the methods and means of providing them; establish its educational policies, goals and objectives; ensure the rights and educational opportunities of students; determine staffing patterns, determine the number and kinds of personnel required; maintain the efficiency of Superintendent operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocations; determine the methods of raising revenue; contract out non bargaining unit work; and take action on any matter in the event of an emergency. In addition, the Superintendent retains the right to hire, classify, assign, transfer, evaluate, promote, terminate and discipline employees.

2.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Superintendent, the adoption of policies, rules, regulations and practices, and the use of judgment and discretion, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms are in conformance therewith.

2.3 The Superintendent retains its right to temporarily suspend any provisions referred to in this Agreement which are affected by an emergency. An emergency is defined as an act of God or unforeseen circumstance or combination of circumstances requiring immediate attention. In such instances of an emergency, the Superintendent will give the Union notice of the emergency and will consult on the temporary changes in the Agreement, which are attendant to the emergency.

Article 3: UNION RIGHTS

3.1 The Union shall have right of access to areas in which employees work during non-working time for the purpose of conducting lawful Union business provided the authorized Union representative seeking access

gives notice to the Superintendent or designee. Notice is not required when it is an urgent safety matter or for normal representational duties. When advanced notice is required, the specific time and place shall be provided. Teamsters agree that such access shall not interfere with Superintendent programs and/or the duties of employees.

3.2 The Union shall have the right to provide and post Teamsters bulletin boards, use designated Superintendent bulletin boards, and use mailboxes and the Superintendent's internal mail system for posting or transmission of information or notices concerning lawful Union matters, provided such information or notices contain the date of posting or distribution and the name of the Union representative responsible for its issuance; and provided further, a copy of such posting or distribution be delivered to the Superintendent or designee at the time of such posting or distribution. The Union shall not post or distribute information which is knowingly false or defamatory of the Superintendent or its personnel, or any material urging the support or defeat of any ballot measure or candidate excluding candidates and issues related to Teamsters Local 1932 elections or the International Brotherhood of Teamsters elections.

3.3 The Union shall have the right to be supplied with a complete "hire date" seniority roster of all employees two (2) times per year, on August 15th and January 15th. The roster shall indicate the employee's present classification and primary work site. The Superintendent shall provide the Union with a list of newly hired employees in the Teamsters classified bargaining unit upon request, provided the Superintendent is given a reasonable amount of time to produce said list. The Superintendent shall notify Teamsters Local 1932 of each New Employee Orientation session and provide a timeslot for a Teamsters Steward or representative to meet with the new bargaining unit members.

3.4 Union representatives/Stewards shall receive reasonable release time for the processing of grievances past the informal level of the grievance procedure provided that no later than thirty (30) days following the signing of this Agreement, the Union shall designate in writing to the Superintendent the names of up to eight (8) employees with at least one designee in each of the three (3) main geographical areas (San Bernardino, West End, and Desert Mountain region) who shall receive release time for the processing of grievances, that such release time be for the purpose of representing a grievant in conference with a management person and that under no circumstances shall release time unduly interfere with Superintendent operations or the instructional program.

3.5 An employee shall receive leave up to a total of forty (40) hours each for legitimate Union business in each contract year, excluding Superintendent formed committees. Such leave must be requested by the Union prior to its being taken identifying the time away from work and the employees on leave.

3.6 The Superintendent agrees to meet with Union representatives at least twice per year to discuss personnel and related issues. The time and place for such meetings shall be subject to mutual agreement.

3.7 **Concerted Activities.** It is agreed and understood that the Union, its agents, members, representatives/Stewards and employees shall not engage in a strike, work stoppage, slowdown, picketing or refusal or failure to fully and faithfully perform job functions and responsibilities, or other interference with the operations of the Superintendent during the term of this Agreement, including compliance with the request of other labor organizations to engage in such activity.

3.8 Employee Rights. The Union recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all employees to do so. In the event of a strike, work stoppage, slowdown, or other interference with the operations of the Superintendent by employees who are represented by the Union, the Union agrees in good faith to take all necessary steps to cause those employees to cease such action.

3.9 The Superintendent shall not lock-out employees during the term of this Agreement.

3.10 Union Dues. It is the mutual intention of the parties that the provisions of this Article protect the rights of individual employees without restricting the Union's rights to require every employee in the bargaining unit to pay a share of the cost of collective bargaining activities.

3.11 Dues and Deductions

3.11.1 The Union has the sole and exclusive right to have employee organization membership dues and service fees deducted by the County for employees.

3.11.2 The County shall deduct, in accordance with the Union dues at the rate of 1.3% of base salary of each employee, provided the employee is an active, voluntary member of Teamsters 1932.

3.11.3 The County shall, without charge, pay to the Union within 15 days of the deduction all sums so deducted.

3.11.4 Along with each monthly payment to the Union, the County shall, without charge, furnish the Union with an alphabetical list of all employees, identifying them by name, a unique identifying number, months per year in paid status and annual salary, and indicating the amount deducted, if any, and whether such deduction is for dues, service fees or charitable contributions.

3.12 Upon request of the employee, on the appropriate County form, the County will make deductions from the regular salary for tax sheltered annuities, credit unions, U.S. Savings Bonds, Association for In-Group Donors, insurance premiums for eligible dependents, and other programs approved by the County or Teamsters Local 1932.

3.13 The Union shall indemnify and hold the County harmless from any and all claims, demands, suits, damages, or any other action arising out of and in connection with this Article.

3.14 Each fiscal year, the Union will be entitled to conduct two (2) one hour site visits at the County Superintendent of Schools Office. The visits will be scheduled by Teamsters in conjunction with Human Resources. Classified employees interested in attending a site visit will be granted reasonable release time to do so, upon approval by the Assistant Superintendent, Human Resources or designee.

3.15 Employees shall have access to their personnel files in accordance with Education Code and shall be given an opportunity of attaching a written response to derogatory materials within ten (10) days of receipt prior to the placement of these materials in their personnel file.

3.16 Within thirty (30) days of adoption of this Agreement, the Superintendent will post on the SBCSS website a copy of this Agreement. Hard copies of this agreement will be made available only upon request.

3.17 Maintenance of Membership. The employer shall deduct one month's current and periodic Union dues and premiums for insurance plans sponsored by the Union from the wages and/or paid leave benefits

of each employee who voluntarily executes and delivers to the San Bernardino County Superintendent of Schools payroll deduction authorization form and completion of a Teamsters membership application. An employee's authorization for payroll deduction may be canceled during the last five days prior to the expiration of the MOU. The aggregate amount of such deduction by the San Bernardino County Superintendent of Schools shall be transmitted monthly to the Union. The Union shall indemnify, defend, and hold the Employer harmless against any claims made and against any suit instituted against the Employer on account of deduction of Union dues. In addition, the Union shall refund to the San Bernardino County Superintendent of Schools any amounts paid to it in error upon presentation of supporting evidence. The San Bernardino County Superintendent of Schools shall furnish the Union with a list, each month, indicating the dues deducted from the pay of any representation unit employee.

3.18 AB119 New Employee Orientation and Implementation

3.18.1 Superintendent Notice to Union of New Hires: The Superintendent shall provide the Teamsters with 10 days' notice in advance of an orientation, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the Superintendent's operations that was not reasonably foreseeable.

3.18.2 Employee Information: "Newly hired employee" or "new hire" means any employee, whether permanent, full-time or part-time, hired by the Superintendent, to which this chapter applies and who is still employed as of the date of the new employee orientation. It also includes all employees who are, or have been, previously employed by the Superintendent and whose current position has placed them in the bargaining unit represented by the Union. For those latter employees, for purposes of this article only, the "date of hire" is the date upon which the employee's employee status changed such that the employee was placed in the Teamster's unit.

Within thirty (30) days of the date of hire, or by the first pay period of the month following date of hire, the Superintendent shall provide the Union a list of information for all employees in the bargaining unit at least every 120 days. The information will be provided to the Union electronically and shall be provided to the Union regardless of whether the newly hired employee was previously employed by the Superintendent. The information shall include the following items:

- i. Name;
- ii. Job Title;
- iii. Department;
- iv. Work location;
- v. Work phone;
- vi. Home or Cellular phone (10 digits);
- vii. Personal email address available effective upon execution of this agreement;
- viii. Work email address;
- ix. Mailing or home address;
- x. Unique Identifying Number.

3.18.3 "New employee orientation" means the onboarding process of a newly hired public employee, whether in person, online, or through other means or mediums, in which employees are advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.

The Superintendent shall provide the Union 10 days' notice in advance of an orientation, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the Superintendent's operations that was not reasonably foreseeable.

The Superintendent shall provide one hour on the SBCSS New Employee Orientation Agenda for the Union to meet with newly hired employees.

Article 4: COMPENSATION AND BENEFITS

4.1 The Parties agree to meet and negotiate each fiscal year of the negotiated contract regarding the salary adjustment(s) COLA. The determined COLA amount, determined by May 1st of each year, is based on the average COLA for each of the 12 districts plus 0.25%.

Using the twelve (12) benchmark districts (Apple Valley, Chaffey, Chino, Colton, Fontana, Ontario-Montclair, Redlands, Rialto, San Bernardino City, Upland, Victor Valley, Victor Elementary) the annualized percentage adjustments of each district shall be added together and divided by twelve (12) (or a number which represents the districts having ratified by the district board and the Union by May 1st of the current school year or other mutually agreed upon date) to identify an average annualized salary adjustment. If this average plus 0.25% is greater than the current year cost of living adjustment previously added to the salary schedules, then the difference will be added to the salary schedules retroactive to July 1st of the current fiscal year. In the event no salary increase is given by the benchmark districts, no additional salary adjustment shall be made (including no addition of 0.25%). In the event there is a negative COLA/salary rollback by the benchmark districts, any salary schedule adjustments will be discussed in negotiations and mutually agreed upon.

4.1.1 Compensation.

1. It has been agreed that the total Salary Schedule Increase for the 2020-2021 school year shall be 1.75%.
2. The settled amount shall be applied retroactively to the salary schedules effective July 1, 2020. Payment shall be made within sixty (60) days of ratification date.
3. The COLA for the 2021-2022 school year will be determined based on the above formula effective July 1, 2021. The amount will be announced to Teamsters and unit members. The settled amount will be applied retroactively to the salary schedules effective July 1, 2021. Payment shall be made on or before June 30, 2022.
4. Off-schedule payments: All active Union members as of the date of ratification of this agreement shall receive a non-precedent setting, off-schedule payment of \$1250.00 shall be made within sixty (60) days of the date the contract is ratified. All active Union members as of May 1, 2022, shall receive a non-precedent setting off-schedule payment of \$1250.00. Payment shall be made prior to the end of the fiscal year.

4.2 **Equity.** The Superintendent agrees to establish a process in which the Union can request an equity study for an entire classification.

4.3 A promotion is the appointment of an employee from one classification to a classification having a higher base salary range. A promoted employee shall receive at least the entrance rate of the new range or a five percent (5%) salary increase, whichever is greater; provided that no employee is thereby advanced above the “E” (or final) step of the higher base salary range. Promoted employees who are returned to their former classification during their probationary period shall receive the rate of pay they received immediately prior to their promotion.

4.4 Employees who receive a “demotion” in job classification as a result of an industrial injury will be maintained at their salary range existing at the time of the injury. Such employees will remain at that rate until the salary amount paid to employees within the range to which the employee now belongs is equivalent to his/her salary amount. If these employees are on the “E” step, these employees will continue to accrue credit years towards longevity.

4.5 **Longevity.** All Teamsters members with an initial date of hire on or before June 30, 2017, will be grandfathered in to receive a stipend of five (5) percent added to the base salary following the fifth (5th) year of service that is consistent with the employee’s seniority date.

Effective July 1, 2017, the Superintendent will provide union members with an initial date of hire on or before June 30, 2017, the following longevity stipend:

Upon completion of 20 years employment, base salary plus six (6) percent.

Effective July 1, 2018, the Superintendent will provide union members with an initial date of hire on or before June 30, 2017, the following longevity stipend:

Upon completion of 25 years employment, base salary plus nine (9) percent.

Effective July 1, 2019, the Superintendent will provide union members with an initial date of hire on or before June 30, 2017, the following longevity stipend:

Upon completion of 30 years employment, base salary plus twelve (12) percent.

The Superintendent shall provide Teamsters members with an initial hire date on or after July 1, 2017 the following paid longevity stipend:

Upon completion of 15 years employment, base salary plus three (3) percent

Upon completion of 20 years employment, base salary plus six (6) percent

Upon completion of 25 years employment, base salary plus nine (9) percent

Upon completion of 30 years employment, base salary plus twelve (12) percent

4.6 **Bilingual/Biliterate Positions.** The Superintendent agrees to establish bilingual/biliterate positions as needed and determined by Human Resources. Positions will be created with existing position levels determined by the department (i.e., Office Specialist II) and approved by Human Resources. The number of positions established will be determined by Human Resources based on departmental or organizational needs. Current positions which will be determined to be designated as bilingual/biliterate will initially be posted internally. If no internal candidates apply or successfully pass the test, the position will be posted externally if and when the designated position is vacated or funds are received to establish a new position. Once a designated bilingual/biliterate position has been filled initially, subsequent vacancies in that position will follow the established process for filling (internal/external posting to be determined by department).

Positions designated “Bilingual” will receive a \$60 per month stipend. Positions designated “Bilingual/Biliterate” will receive a \$90 per month stipend. The Superintendent may review adding the stipend to any position when it is brought forward that a substantial or more than occasional use of bilingual/biliterate skills is required.

4.7 Pay Periods. Classified employees are paid monthly on the last working day of the month.

4.8 Insurance. For the purposes of this section, an eligible employee is defined as a full-time employee who works eight (8) hours per day, forty (40) hours per week and serves at least one hundred and eighty-two (182) days per fiscal year.

The Superintendent shall contribute 75% premium towards elected coverage by employees working four (4) hours per day but less than eight (8) and who work more than twenty (20) hours per week but less than forty (40). The affected employees’ share of 25% shall be automatically paid through payroll deduction. Those employees hired prior to July 1, 1987, who have served as part-time employees in the classified service for more than five (5) years will maintain full benefits.

Employees who work less than four (4) hours per day and less than twenty (20) hours per week shall not be entitled to any health benefit coverage.

4.9 Medical

4.9.1 The Superintendent agrees to work with the Union in a collaborative manner to obtain the best Medical, Dental, and Vision rates for Teamster’s members. This includes examining all viable benefit options, including the Teamsters Local 1932 Health and Welfare Trust.

4.9.2 Medical Insurance. The Superintendent shall contribute a shared cost with Unit Member(s) for the current fiscal year for eligible full-time employees and dependents. The Superintendent and the Bargaining Unit shall negotiate each fiscal year for the term of the existing contract for medical insurance coverage for eligible full-time employees and dependents.

4.9.3 Dental Insurance. The Superintendent shall contribute the full premium costs for existing Delta Dental Plan for eligible full-time employees and dependents except for premium plans.

4.9.4 Vision Insurance. The Superintendent shall contribute the full premium costs for the Medical Eye Services Vision Plan for eligible full-time employees and dependents except for premium plans.

4.9.5 Life Insurance. During the life of this agreement the Superintendent will pay the cost of premiums for a \$50,000 life insurance policy on the life of each full-time employee who works forty (40) hours per week and pro-rated for part-time employees.

4.9.6 Any use of a differentiated/dividend from CSEBA will be reinvested into Health and Welfare benefits. For the 2021-2022 school year, the Superintendent agrees to maintain the out-of-pocket premium costs to Union Members at the current rate. For the 2022-2023 school year, the Superintendent agrees to pick up the first 5% of any Health and Welfare rate increase. An increase of more than 5% shall trigger negotiations/Health and Welfare opener with the Teamsters regarding the excess cost.

Effective July 1, 2021, out-of-pocket costs for employees shall remain the same as 2020 with no increase. Out-of-pocket costs will be deducted from Union members through monthly payroll deductions.

4.9.7 Retiree Medical. Employees who retire from the Superintendent after reaching age 55 and who have completed ten (10) consecutive years of full-time service with the Superintendent, immediately prior to such retirement, may continue to receive existing available medical insurance coverage for the employee only until he/she reaches age 65 or qualifies for Medicare, whichever comes first, provided, however, that the employee first reimburse the Superintendent for fifty percent (50%) of the cost of such coverage. The spouse or surviving spouse may be added to such coverage at the employee's expense who shall pay seventy-five (75%) of the current charge for such coverage. Should such reimbursement not be received by the Superintendent by the first of the month following a covered insurance month (30-day grace period), the Superintendent may terminate such coverage immediately.

4.9.8 State Disability Insurance. Unit employees participate in the State Disability Insurance (SDI) program. Claims for disability coverage must be filed in accordance with the guidelines established by SDI.

4.9.9 Retirement Benefits. The Superintendent offers employees retirement benefits through CalPERS. Employees are normally eligible for "Service Retirement" once they reach age 50 and have five (5) years of PERS-credited service. Currently, CalPERS provides a two percent (2%) at 55 years of age retirement benefit. Employees may contact the County Schools Retirement Department for the nearest CalPERS office.

Article 5: HOURS

5.1 The regular workweek of a full-time employee shall be forty (40) hours and the regular work day shall be eight (8) hours. The scheduling of the hours and the workdays shall be at the sole discretion of the Superintendent. This article shall not restrict the extension of the regular workday or workweek on an overtime basis, when necessary, to carry on the business of the Superintendent.

5.1.1 Interpreters who work six (6) or more hours per day will be considered full-time Unit Members within the organization. Retirement service credit shall be applicable to the terms and conditions of the law.

5.1.2 Rest breaks of fifteen (15) minutes for each four (4) hours worked shall be provided.

5.2 Overtime. Overtime is any time required to be worked in excess of eight (8) hours in any one workday and in excess of forty (40) hours in any calendar week as assigned by the supervisor. This provision does not apply to employees whose regular work day is less than eight (8) hours or whose work week is less than forty (40) hours. For computing the number of hours worked, time during which the employee is excused from work because of holidays, sick leave, vacation, compensated time off, or other paid leave of absence shall be considered as time worked by the employee. The Superintendent shall provide compensation at a rate equal to one and one-half (1 1/2) times the regular rate of pay for employees designated by the Superintendent and authorized to perform overtime work. Upon request from the employee and approval of the Superintendent, an employee may accrue compensatory time off at time and one-half.

Upon termination, the employee may be paid for properly documented unused compensatory time at a rate not less than (a) the average regular rate received by the employee during the last three (3) years of the employee's employment, or (b) the final regular rate received by the employee, whichever is higher. The

Superintendent shall provide employees reasonable notice when overtime is required except in a declared state of emergency.

5.3 Notwithstanding paragraphs 5.1 and 5.2 above, the work week for any employee having an average work day of four (4) hours or more during the work week shall consist of not more than five (5) consecutive working days. Such an employee shall be compensated for any work required to be performed on the sixth (6th) and seventh (7th) day following the commencement of the work week at a rate equal to one and one-half (1 1/2) times the regular rate of pay of the employee designated by the Superintendent and authorized to perform the work.

5.4 Employees on duty for a minimum of six (6) hours shall be entitled to a duty-free lunch period of at least thirty (30) minutes to be determined by the Superintendent with consideration given to individual employee's needs.

5.5 The normal work year for classified positions shall consist of a ten (10), eleven (11) or twelve (12) month period. The determination of the length of the work year for each position is at the sole discretion of the Superintendent and may be changed as new positions are created or as is necessary to carry out the business of the Superintendent.

5.5.1 Interpreters shall receive one (1) day of in-service as provided with the approval of the Supervisor and/or Administrative Designee. Unit members shall receive their regular rate for the scheduled in-service. Any applicable registration fees will be paid by the County Office.

5.6 **Work Hours.** The traditional work day start range shall be between the hours of 7:00 a.m. – 8:00 a.m. and end between the hours of 4:00 p.m. – 5:00 p.m., however hours may be adjusted to meet the needs of each department. Management shall not use phone and text communication with employees outside of work hours unless there is an emergency. Employees are not expected to reply to emails after work hours.

5.7 **Flex Time.** At the request of an employee, and upon written approval of the immediate supervisor, flex time may be implemented in accordance with the following policy:

The San Bernardino County Superintendent of Schools maintains offices that are opened to serve members of the public on an 8:00 a.m. to 4:30 p.m. daily schedule except as noted above. While the Superintendent accommodates members of the public in maintaining these hours, its intent is to allow flexibility for employees where possible without decreasing client services. Requests to use flex time shall be evaluated regarding the ability of the Superintendent to maintain an appropriate level of service to our clients and school districts. Parameters within which employees may request flextime are as follows:

- A. Employees may arrive no earlier than 7:00 a.m. and leave no earlier than 4:00 p.m.
- B. Telephone coverage must be provided for all lines between 8:00 a.m. and 4:30 p.m.
- C. Employees may take no less than a thirty (30) minute lunch. All lunches must be thirty (30) minutes or sixty (60) minutes in duration.
- D. Flextime may be used in no less than thirty (30) minute blocks.
- E. Employee requests for flextime should be for no less than four (4) months.
- F. Any employee using flextime must follow a consistent weekly schedule five (5) days a week.

G. Designated offices may be treated differently than herein identified due to service hours maintained at their location.

H. If a request for flex hours creates an office coverage issue, flex time will be granted based upon seniority on a four (4) month basis when necessary.

Employee's requests for flex time must be directed to their immediate supervisor and forwarded to the appropriate Assistant Superintendent or SELPA Administrator. Flex time requests may be denied by the Superintendent if the employee's immediate supervisor determines that such request would interfere with the operations and/or educational service to clients, members of the public or school districts. Flex time is meant to be a benefit to the employee. This article is not to be used by Managers to usurp the overtime article.

5.8 Call-Back. The parties herein agree to designate "call-back" pay for employees who may be asked to return to active duty and the work site at the request of their supervisor or designee after said employee has been released from active duty and has left the work site.

Call-back compensation shall be paid in the following manner: the employee shall be paid a minimum of two (2) hours at their current base hourly rate of pay for each call-back occurrence. Said compensation shall be in lieu of any travel time and expense to and from home and the first or last work contact point. All time actually worked shall be considered as time worked for the purpose of overtime.

Employees shall not be eligible for call-back pay in the following situations: 1) special on-duty assignments scheduled in advance; 2) the employee is called back within two (2) hours of the beginning of a scheduled work period; or 3) the employee is not required to leave home. In all cases the employee shall report all time actually worked with a pay period.

Additional pay advances ("step increases") will occur annually thereafter contingent on satisfactory annual performance evaluations.

8.4 Each time an evaluation is given, the evaluator shall discuss the written summary of the evaluation with the employee. The employee must sign the evaluation form signifying only that the employee has read the document and has been provided the opportunity of attaching a written response which shall become part of the permanent record. A rating of "Satisfactory" or above on Overall Performance is necessary for a salary rate

increase. In the event that the employee refuses to sign the evaluation, a note so stating will be attached by the immediate supervisor. Permanent employees shall be given at least two workdays advance notice of the time, date, and place of the evaluation conference, unless a shorter timeline is mutually agreed upon by the employee and the supervisor. 11.2.3 Employees shall be entitled to Union representation at all levels of the grievance procedure.

11.2.4 Should the employee or the Union fail to respond in any time limits contained herein, the grievance shall be deemed resolved.

11.3 **Informal Level.** Before filing a formal written grievance, the grievant shall attempt to resolve it by an informal conference with the grievant’s immediate supervisor.

11.4 **Level I.** Within fifteen (15) days after the employee knew, or should have known, of the occurrence of the act or omission giving rise to a grievance, the employee must present the grievance in writing to the immediate supervisor.

At this level a facilitator/mediator will be utilized to assist in the communication between the unit member filing a grievance and the County Superintendent. The individual facilitator/mediator shall be selected from the California State Mediation and Conciliation Service (CSMCS). The role of the facilitator is to

enhance communication and provide alternative means of dealing with the grievance. The work of the facilitator is non-binding on either party and there will be no written opinion regarding the outcome by the facilitator.

As an alternative, the employee may elect to go to Level IV and not utilize the provision contained in Level III and shall so request in writing on the appropriate form to the County Superintendent or designee within the above stated time frame.

11.6.1 The Union and the Superintendent shall attempt to agree upon a mediator who will render an advisory award. If no agreement can be reached, they shall request the California State Mediation and Conciliation Service (CSMCS) to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the mediator who will render an advisory decision. The order of the striking shall be determined by lot.

11.6.2 The fees and expenses of the mediator shall be borne by the Superintendent if the grievance is sustained and the Union if the grievance is denied. In the event the grievance is sustained in part and denied in part, the mediator shall determine the appropriate share of fees and expenses to be assessed each party. All other expenses shall be borne by the party incurring them.

11.6.3 The mediator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the mediator shall determine the issues by referring to the written grievance and the answers thereto at each step. All mediation issues shall be ruled upon prior to hearing on the merits.

11.6.4 The mediator will have no power to add to, subtract from or modify the terms of this Agreement or the written policies, rules, regulations, and procedures of the Superintendent. The mediator shall be limited to a maximum award of \$1,000 on any single or group of grievances involving the same issue(s). Notwithstanding the above maximum award limitation of \$1,000, the County Superintendent of Schools, or if the matter is reviewed by a Superior Court of appropriate jurisdiction, either the Superior Court or the County Superintendent of Schools may award in excess of \$1,000, on any single or group grievances involving such an issue.

11.6.5 After a hearing, and after both parties have had an opportunity to make written arguments, the mediator shall submit in writing to all parties his findings and recommendations which shall be advisory to the parties.

11.7 **Level IV.** If Level III is waived or in the event that either party is not satisfied with the recommendation(s) of the mediator, that party may appeal the decision in writing within ten (10) days to the Superintendent.

11.7.1 This written appeal shall include a copy of the original grievance, the Article of the Agreement alleged to have been violated, the decisions rendered at Levels I, II and III, and a clear, concise statement of the reasons for the appeal and names of witnesses and all documents admitted at the mediation in Level III.

11.7.2 The Superintendent alone has the power to render a final and binding determination of a grievance. The recommendation of the mediator shall only be advisory and if, upon review of the written decision, the Superintendent determines that he/she is unable to render a final determination on the record, he/she may reopen the record for the taking of additional evidence.

11.8 No reprisals of any kind will be taken by the County Superintendent or by any member or representative of the County Superintendent against any grievant, any party of interest, any member of the Union or any other participant in the grievance procedure by reason of such participation.

Article 12: CLASSIFIED PROGRESSIVE DISCIPLINE

12.1 Permanent and Probationary Status

Classified Unit Members who have obtained permanent status following their designated probationary period (not to exceed nine (9) months) may be dismissed only for cause, Ed Code 45114. Probationary Classified Unit Members may be dismissed without cause prior to the end of their probationary period (Ed Code 45113). Disciplinary action shall include dismissal, suspension without pay, and demotion, except lay off or lack of work or lack of funds.

12.2 Adoption of Rules and Regulations

The Education Code requires the Superintendent to adopt rules and procedures for disciplinary proceedings (Ed Code 45113). The rules must provide procedures for informing the employee by written notice of the specific charges against him/her, written notice of the employee's right to an administrative hearing on the charges against him/her, written notice of the employee's right to an administrative hearing on the charges against him/her, the time in which administrative hearing may be requested (not less than five days after service of the notice on the employee) and a card or paper, the signing and filing of which shall constitute a demand for a hearing and denial of all charges (Ed Code 45113).

12.3 Progressive Discipline

The level of discipline shall be guided by the principles of progressive discipline, beginning with oral discussion, if appropriate. Progressive discipline may or may not occur in sequential order dependent upon the nature, context, and seriousness of the offense as determined by the Superintendent. For less serious offenses, progressive discipline is intended as gradual corrective action to provide guidance, assistance, and correction of inappropriate conduct. More serious violations may cause for steps to be skipped.

A written plan of improvement containing specific expectations and time frames in which to accomplish them may be simultaneously implemented within any step in the process.

In the event of written disciplinary action, the Unit Member should also be given an opportunity to respond in writing to the written reprimand/warning within ten (10) working days. Unit Members shall have the right to have representation during disciplinary matters and will be informed of such a right prior to the disciplinary action as defined below.

Entry into the appropriate level of discipline will be at the supervisor/manager's discretion as dependent on the level of the seriousness of the offense. Progressive discipline steps may be skipped or varied

based on the seriousness of the employee's behavior/poor performance as determined by the supervisor/manager. As such, the following define progressive discipline terms and, when applicable, sequential steps in the process:

12.3.1 Oral Warning/Conference Summary

An oral warning is generally done informally as a corrective counseling session, with the supervisor/manager meeting with the Unit Member to be certain that the Unit Member realizes that his or her work performance or behavior is unsatisfactory and what is expected in terms of improvement is understood. A conference summary may or may not be written. This conference summary shall not go into the personnel file unless subsequent performance issues or conduct recurs that require further disciplinary action at which time the written conference summary may be attached to subsequent letter.

12.3.2 Letter of Written Warning

A letter of written warning should include a clear explanation of the consequences of the Unit Member's job performance or conduct that falls below expectations. The Unit Member's immediate supervisor/manager shall prepare a written warning letter and shall provide such letter to the affected Unit Member. The warning letter shall outline specific areas and/or incidents of the Unit Member's deficient performance and/or conduct and give specific directives for improvement. The warning letter will be placed in the personnel file after ten (10) days and the Unit Member will be given the opportunity to respond in writing which will be attached to the letter of warning and placed in the personnel file.

12.3.3 Letter of Written Reprimand

Dependent on the severity of the conduct or if there is insufficient or no improvement in the Unit Member's work performance/conduct over a period of time, or if additional incidents or more serious problems surface, a written reprimand may be the next appropriate step. Specific expectations and required time frames should be outlined and the consequences of continued failure to meet the required standards for work shall be clearly stated. The letter of reprimand shall not be placed into the Unit Member's personnel file until he/she has been given ten (10) working days to respond. The warning letter will be placed in the personnel file after ten (10) days and the Unit Member will be given the opportunity to respond in writing which will be attached to the letter of warning and placed in the personnel file. In the event steps are skipped that result in disciplinary action beginning at 12.3.3 (Letter of Written Reprimand) notification to Teamsters Business Agent/designee is required.

12.4 Suspension

Suspension shall not exceed twenty (20) working days.

12.5 Causes for Disciplinary Action

Causes for suspension, demotion or dismissal of any Unit Member shall include, but not be limited to:

1. Incompetence or inefficiency in the performance of the duties of his/her position.
2. Inability to perform assigned duties due to failure to meet or retain job qualifications (including but not limited to, failure to possess required licenses or failure to pass required tests).
3. Insubordination (including, but not limited to, refusal to do assigned work).

4. Carelessness or negligence in the performance of duty or in the care or use of County Superintendent of Schools property.
5. Discourteous, offensive, or abusive conduct or language toward other employees, pupils or the public.
6. Dishonesty.
7. Drinking alcoholic beverages on the job or reporting to work while intoxicated.
8. Addiction to the use of narcotics or a restricted substance, use of narcotics or restricted substances while on the job or reporting to work while under the influence of a narcotic or restricted substance.
9. Personal conduct unbecoming to an employee of the County Superintendent of Schools.
10. Engaging in political activity during assigned hours of employment.
11. Conviction of any crime involving moral turpitude.
12. Arrest for a sex offense as defined in Education Code Section 44010.
13. Conviction of a narcotics offense as defined in Education Code Section 44011.
14. Absence without leave or repeated tardiness.
15. Abuse of Leave Privileges.
16. Falsifying any information supplied to the County Superintendent of Schools including, but not limited to, information supplied on application forms, employment records or any other County Superintendent of Schools record.
17. Persistent violation or refusal to obey safety rules and regulations or directions of the County Superintendent of Schools, or laws of the state or federal government.
18. Offering anything of value or offering any service in exchange for special treatment in connection with the employee's job or employment or accepting anything of value or any service in exchange for granting any special treatment to another employee or to any member of the public.
19. Willful or persistent violation of the Education Code or rules and regulations of the County Superintendent of Schools.
20. Any willful conduct tending to injure the public service.
21. Abandonment of position or excessive absenteeism.
22. Advocacy of the overthrow of federal, state or local government by force, violence or other unlawful means.
23. Physical or mental incapacity.

12.6 Due Process – Notice of Disciplinary Action and Skelly Meeting

No disciplinary action may be taken for any cause which arose prior to the Unit Member becoming permanent or more than two years preceding the date of the filing of the notice of cause unless the cause was concealed or not disclosed by the Unit Member (Ed Code 45113). The burden of proof shall be on the Superintendent to establish cause for dismissal (Ed Code 45113).

The notice of disciplinary action must contain a statement in ordinary and concise language of the specific act or omissions which the disciplinary action is based, a statement of cause for the action taken, and if it is claimed that a Unit Member has violated a rule or regulation of the employer, the rule or regulation must be specified in the notice (Ed Code 45113).

Prior to giving the Unit Member written notice of disciplinary action, the employer is required to meet with the Unit Member to give the Unit Member an opportunity to respond to the allegations against the employee and to explain his or her actions (Skelly Hearing {Ed Code 45116}).

The employee shall have a Skelly hearing which shall be scheduled no less than ten (10) working days from the date the employee is served the Notice of Intent to Discipline and shall afford the employee the right to respond to the charges. The Unit Member is entitled to representation. The Superintendent shall provide the Unit Member a written response to either continue, amend, reduce or dismiss the discipline within ten (10) days following the Skelly.

12.7 Insufficient Notice

A notice of disciplinary action shall contain a statement in ordinary and concise language of the specific acts and omissions upon which the disciplinary action is based and a statement of the cause for the action taken. If it is claimed that a Unit Member has violated a rule or regulation of the County Superintendent of Schools, such rule or regulation shall be set forth in said notice. If the identified items are omitted, this shall constitute an insufficient notice and a proceeding may be brought on behalf of the employee to discontinue the action.

12.8 Hearing

The employee may request a hearing before the Superintendent. The hearing is conducted in a formal manner, all witnesses are sworn, and the Superintendent and Unit Member are given the opportunity to present their case, which includes opening statements, presenting witnesses, cross-examination of witnesses, present testimony, introduce documentary evidence, and make closing statements.

12.9 Third Party Hearing Officer

The Superintendent reserves the right to delegate the hearing to a third-party neutral that can make recommendations to the Superintendent. In the event the Superintendent delegates the hearing to a hearing officer, the Superintendent and Teamsters shall mutually agree on the selection of the hearing officer within ten (10) working days from the date of the request for hearing, notwithstanding any unforeseen delays that will be promptly communicated to both parties.

For the selection process, the Superintendent will submit a list of five (5) qualified hearing officers to the California Mediation and Conciliation Service. The hearing officer will be selected from the aforementioned list by alternate strike-off. The first strike-off will be by mutual agreement. Thereafter, each party will strike one name off the list until only one name remains. The remaining hearing officer will conduct the hearing under the rules of procedure established by the hearing officer, which are consistent with the law.

12.10 Final Decision of the Superintendent

The Superintendent retains the authority to review the hearing officer's decision and make the final decision. The Superintendent/designee shall inform the Unit Member of the decision in writing thirty (30) working days after receiving the findings of facts and conclusions of law from the hearing officer.

12.11 Hearing Expense

The cost of the hearing shall be mutually shared by both parties. Both parties agree to be responsible for their respective costs incurred, inclusive of transcripts. The cost of the mediator shall be equally shared.

12.12 This section shall not be construed to prevent layoffs for lack of work or lack of funds.

Article 13: LAYOFF AND RE-EMPLOYMENT PROCEDURES

13.1 Reason for Layoff. A layoff is the involuntary separation or reduction of a regular employee to a lower classification caused by the deletion of positions. Layoffs shall occur only for justifiable lack of work or demonstrable lack of funds. The Superintendent shall have no duty to negotiate the decision to layoff. When requested by the Union, the Superintendent shall negotiate the impact of the decision to layoff.

13.2 Notice of Layoff. Upon decision of the Superintendent to reduce the number of employees in the classified service, written notice of layoff shall be sent by registered mail or delivered in person to the affected employees by Human Resources. Notice shall also be sent to the Union. The Union shall have ten (10) working days from the date of notification to submit a written request to meet and confer regarding the impact of the layoffs.

13.2.1 The Superintendent shall send written notice of layoff to the affected employees not less than sixty (60) Ed Code 45117 days prior to the effective date of layoff, informing the employees of their displacement rights, if any, and re-employment rights. The notice of layoff shall specify the reason for layoff and identify by name and classification the employee designated for layoff.

13.3 Order of Layoff. Within a given class, probationary, short-term and substitute employees shall be laid off before any permanent classified employee is separated from his/her position.

13.3.1 The order of layoff of employees shall be determined by length of service.

13.3.2 In the case of two or more employees having the same length of service, the order of layoff of such employees shall be determined by lot.

13.4 Seniority – Date of Hire. For purposes of this section, length of service shall mean date of hire. Seniority within a class shall be calculated by length of service within classifications of equal or higher ranking in which the employee is serving or has served.

13.4.1 "Hire date" shall not be interpreted to mean any service performed prior to entering into probationary or permanent status in the classified service to the Superintendent.

13.5 Displacement Rights. Employees who are subject to layoff shall exercise bumping rights into any classification within a current or previously held position, providing they meet minimum qualifications and providing that the classification in which they are bumping is equal to or lower than the classification in which the employee has served.

13.6 Demotion or Retirement in Lieu of Layoff. An employee subject to layoff may, in lieu of such layoff, if qualified and subject to the provisions of this Article, elect to be demoted to a lower job class or retire under the provisions of the Public Employees Retirement System (PERS).

13.6.1 An employee who elects demotion in lieu of layoff shall be placed on the thirty-nine (39) month re-employment list and shall be eligible, when a classified vacancy occurs, to return to his/her former job class in the order of his/her service as any other employee on such list.

13.6.2 Eligibility for re-employment for employees who elect demotion shall be extended for an additional twenty-four (24) months provided that the same tests of fitness under which they qualified for appointment to the class shall still apply (Education Code Section 45298).

13.7 Re-Employment Procedure. An employee who is laid off shall be placed on a thirty-nine (39) month re-employment list.

13.7.1 An employee who receives a notice of re-employment and fails to accept in writing the offer of re-employment within ten (10) working days shall be deemed to have rejected the offer of employment.

13.7.2 If the employee in layoff status accepts the position being offered, the employee shall have up to ten (10) calendar days from the postmark date of the notice to report to work. This does not preclude a unit employee from returning to work in fewer than ten (10) calendar days.

13.8 It is the intent of the parties herein that this section shall comply with current Education Code Policy.

Article 14: TUITION REIMBURSEMENT

14.1 The Superintendent shall establish a fund in the amount of \$15,000.00, which is available for the purposes of reimbursing the cost of tuition and fees for enrollment in approved courses and seminars leading to a timely degree or certificate or individual courses enhancing an employee's job performance that have received prior approval of Human Resources. Only employees who have successfully passed their initial probationary period by the payout deadlines are eligible for this fund. According to the purpose of this fund, fees are defined as costs having a direct relationship to the particular course and include only the cost of books, parking and non-expendable course materials. Parking fees are reimbursable at 50% with no other fees reimbursable under this fund. The rules and procedures of the fund are as follows:

1) The fund is for use by permanent classified employees who are employed for 3 1/2 hours per day or more and have an approved plan on file in Human Resources, which will lead to a timely degree or certificate or individual courses that enhance an employee's job performance. Participants who voluntarily leave the organization prior to the claim period deadline are not eligible for reimbursement. Participants who are promoted within the organization, but to a position outside of the bargaining unit, will only be eligible for reimbursement if they were still employed in their qualifying position two (2) calendar months prior to the claim period deadline.

2) Request for reimbursement of tuition costs must be approved in advance of the coursework by the supervisor and Human Resources.

3) Reimbursement shall not exceed 50% of tuition costs for approved coursework and 100% for appropriate fees. Payment will be made upon successful completion as demonstrated by a grade card, official transcript, or other acceptable method of verification.

4) Maximum reimbursement per employee for any six-month period shall not be more than \$2,000.00 for that period unless all other participants are paid at 100% of their approved reimbursement amount. In the event that all other participants receive 100% of their approved reimbursement amount, the employee receiving the maximum of \$2,000.00 will be eligible to receive the balance in the fund for that period so long as total reimbursement does not exceed 100% of their approved reimbursement amount. No employee shall receive more than 100% of their approved reimbursement amount.

5) To ensure an equitable distribution, claims submitted between August 1 and January 31 will be paid by April 1. Funds will be distributed proportionally among those participating for that time period. Claims submitted between February 1 and July 31 will be paid by October 1. Funds will be distributed proportionally among those participating for that time period. If any participant receives the maximum amount allowed, the remaining funds will be distributed proportionally among those remaining participants for that time period.

6) Reimbursement for the first half of the fiscal year shall not exceed 1/2 of the fund balance, and the total year shall not exceed the entire fund balance. Any funds not expended for the October payout period shall be added to the available amount for the April payout period. Under no circumstances shall any unexpended funds be carried over to a subsequent year.

7) No one person can receive more than 1/2 of the total fund balance during the course of the one fiscal year.

8) No requests can be carried over until the next period or the next fiscal year. All requests for payments must be made in the time period for which they occur.

Article 15: RECLASSIFICATION

15.1 Employees may request that their position classification be reviewed by the Superintendent. Such requests may be submitted between December 15 and January 31 of each year on the appropriate forms. Human Resources shall keep the Union informed of employees requesting reclassification and their current classification. An employee who has requested reclassification may request that a Union representative be present as an observer during the focus group portion; however, the Union representative shall not be an active participant. Supervisors may submit requests for reclassification in accordance with SBCSS Policy 4213.41.

Office Specialist I, II and III positions are eligible for reclassification. Office Specialist IIs cannot be reclassified into an Office Specialist IIIs. This does not prevent these positions from changing due to reorganization within a department. Employees seeking reclassification outside the Office Specialist series may utilize the annual reclassification process.

The Union shall be notified of proposed reclassifications and given the opportunity to respond within fifteen (15) working days of the notification. Reclassification shall become effective on July 1, following

the recommendation of Human Resources and approval of the Superintendent. Employee anniversary dates and future movement on the salary schedule will be in accordance with the terms of this Agreement.

15.2 In the event that an employee is not satisfied with the results of a reclassification study initiated according to Article 15.1 above, the employee may appeal the decision to the Reclassification Appeal Committee (which will consist of one individual selected by the Union and one individual selected by the Superintendent's office). The appeal must be made in writing within the fifteen (15) working day notification period as stated above. If the appeal is not made within the prescribed period, the decision of the reclassification study shall be final. The Reclassification Appeal Committee will review the reclassification study and make an advisory recommendation to the Superintendent within ten (10) days of receiving the appeal. The Superintendent alone has the power to render a final decision.

An incumbent with a record of two (2) years of continuous employment in the position will be automatically reclassified into the position if the reclassification is based on a gradual accretion of duties. An incumbent with less than two (2) years in the position may be required to successfully complete the examination for the classification in order to be considered for reclassification into the position. Permanent employees reclassified with their position will not be required to serve a probationary term in the new position for purposes of gaining permanency. A position that has been reclassified as a result of a study pursuant to this Article shall be ineligible for reclassification for a period of at least two (2) years from the date the position was reclassified.

Employees reclassified upward shall be placed at the first step of the salary range for the new classification which will provide for a minimum of a 5% increase, but in no instance will the salary increase go beyond the "E" or final step of the range for the new classification.

Article 16: SAVINGS PROVISION

If any provisions of this Agreement are held to be invalid by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

Article 17: RETURN TO WORK PROGRAM

The San Bernardino County Superintendent of Schools is actively participating in a Workers' Compensation Cost Containment Program.

The Superintendent does permit its employees to return to modified or light duty work assignments when prescribed by a physician. The Superintendent encourages and supports this program.

Article 18: EFFECT OF AGREEMENT

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over Superintendent practices and procedures and over state laws to the extent permitted by the state law.

Article 19: COMPLETION OF MEET AND NEGOTIATION

The parties acknowledge that during the negotiations that resulted in this Agreement, each had the right and opportunity to make demands and proposals with respect to matters within the scope of representation.

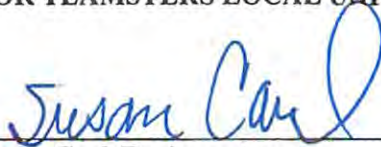

Article 20: TERM

This Agreement shall commence on July 1, 2021, and shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2023. If a successor Collective Bargaining Agreement has not been reached by 11:59 p.m. on June 30, 2023, the terms and conditions of this Agreement shall be extended one (1) year or until a successor Agreement is executed, whichever is sooner. Each party shall notify the other in writing no later than February 1 of its request to modify, amend, or terminate the Agreement.

This tentative agreement is subject to ratification by Teamsters Local Union 1932 membership and approval by the County Superintendent. Upon approval by both parties, it shall be effective for the 2021-2023 contract years.
