Yesterday, after months of bargaining that brought us past the expiration date of our previous MOU with the County of San Bernardino, we secured a Tentative Agreement that we are thrilled to bring to the membership for ratification!

This Tentative Agreement is a major victory for the entire membership. Those of you who are active in your union, especially those of you who took direct action at your workplaces to show the County we were willing to fight, made this victory possible. We thank you for your hard work and willingness to step up and fight for yourselves and your coworkers!

In the coming days and weeks, we will be sending all Teamster members a summary of the Tentative Agreement as well as details regarding how to vote for ratification. Please be patient with us as we finalize these plans.

As always, please reach out to your Steward or Business Agent if you have any questions.

And once again thank you for your hard work that made this victory possible.

Solidarity Forever!
